

ARDORÉ

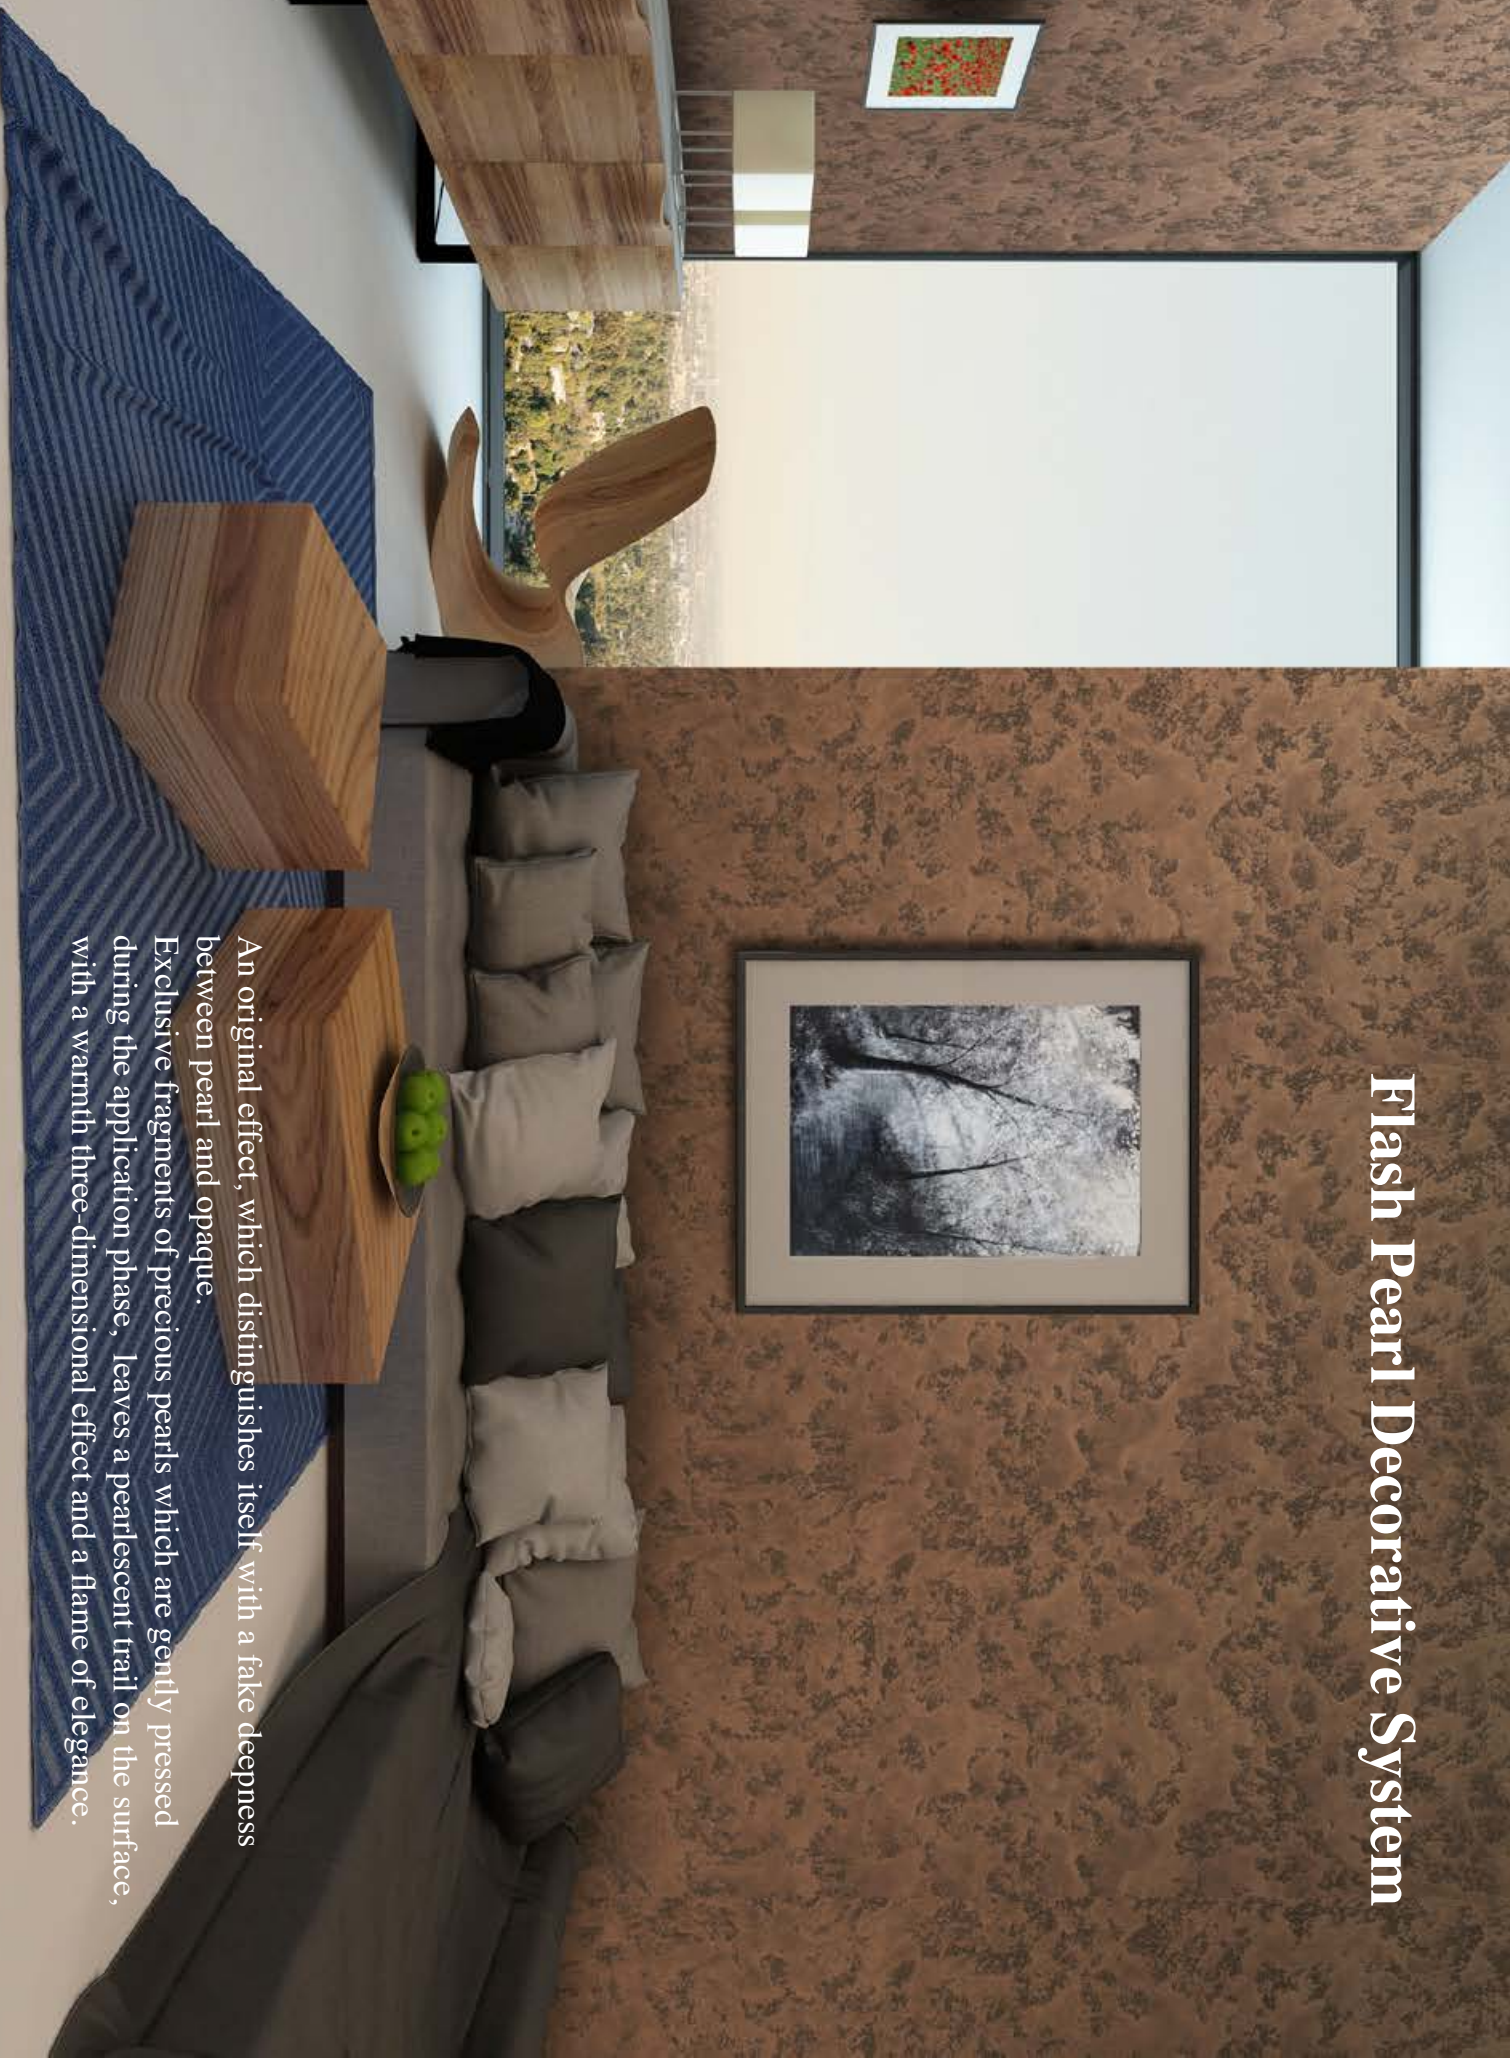

Sistema Decorativo ad Effetto Flash Pearl

Un effetto originale, caratterizzato da una falsa profondità tra il perlato e l'opaco.

Esclusivi frammenti di pregiate perle che, dolcemente accarezzate e pressate durante la lavorazione, lasciano sulla superficie una scia perlescente, che sa di calore e di tridimensionalità...una fiamma di eleganza.

Flash Pearl Decorative System

An original effect, which distinguishes itself with a fake deepness between pearl and opaque.

Exclusive fragments of precious pearls which are gently pressed during the application phase, leaves a pearlescent trail on the surface, with a warmth three-dimensional effect and a flame of elegance.

Декоративная система с эффектом Flash Pearl

Оригинальный эффект, который отличается глубиной перелива, свойственного жемчугу или опалу. Содержит в себе эксклюзивные частички драгоценных жемчужин, которые слегка разглаживаются во время нанесения. Ardore придает поверхности перламутровый перелив, мягкий трехмерный эффект и изысканную элегантность.
